REMOVAL of UNDERGROUND FUEL STORAGE TANKS

Note: This Permit will be allowed one field inspection only.

- Contractor removing the underground fuel tank(s) shall be licensed for such removal.
- Contractor shall obtain a site closure letter from the Arizona Department of Environmental Quality and shall obtain a tank removal permit from the Arizona State Fire Marshal's Office.
- Site plan showing tank(s) location on site in relation to structures, utilities and property lines.

This form is used only as a guide. Final approval is contingent of favorable field inspection of the Deputy Fire Marshal.
